

Join us for a discussion on trees!

Cankerworms and Emerald Ash Borer in Charlotte

Join resident entomologist Laurie Reid Dukes for a fun discussion about cankerworms and emerald ash borer.

We will learn more about these two pests that are impacting Charlotte's trees.

Tuesday, October 25th or Thursday, November 10th

Landscape Management Building

701 Tuckaseegee Rd.

5:30pm—7:00pm

The first hour will be an interactive session. The last half hour will be open for specific questions for those who wish to stay.

Space is limited. Please RSVP to eliverio@charlottenc.gov

Include the number of people from your neighborhood and which date you are attending.
